### Tryouts:

Competitive tryouts are required before becoming a member of our team and can be booked by making appointments with Chris Martin or Stephanie Stuart anytime throughout the year. If you are currently on the team, you don't have to tryout again, year after year. Tryouts take around 15 minutes and are an assessment to gauge the athlete's abilities, determine if they should be on the team, decide what level they would start competing at, and is also an opportunity to meet with the athlete and their parents. Don't worry, it is not a fitness test and there are no exams to write!

### Levels:

There are 4 categories of competitive trampoline:

1. **Precomp** – This pre-competitive category is for younger and/or recreational athletes to learn the basics of competitive trampoline without attending any competitions yet. It is a great steppingstone prior to joining our team.
2. **Interclub** – This introductory category has 3 levels; Beginner, Intermediate, and Advanced. Interclub is structured around competing at fun competitions hosted by any trampoline club or gymnastics club. These competitions are called “Invitational Meets” or “Interclub Cups” and are a great opportunity to compete for fun and experience. These 5 or 6 competitions per season are usually held around the GTA.
3. **Provincial** – This category is the official Ontario Provincial competitive stream. There are 4 Provincial levels; L1, L2, L3, and L4 with L1 being the lowest and L4 being the highest. Athletes compete at 3 “Ontario Cup” qualifier competitions to try to qualify for the Ontario Provincial Championships at the end of the season. There is also an opportunity to qualify for the Eastern Canadian Championships.
4. **National** – This category is for the elite trampolinist. National athletes compete all over Canada and the world. There are multiple National levels: Novice (L5), Espoir (L6), Open (L7), Junior (18-), and Senior (19+). **Required Competitions;** 1<sup>st</sup>, 2<sup>nd</sup>, and 3<sup>rd</sup> Ontario Cups, Elite Ontario Championships, and the Canadian National Championships. **Extra competitions;** Elite Canada, International Competitions, World Age Groups (WAG's), World Championships, Pan Am Games, Olympics, etc.

### Training:

The competitive training season starts at the beginning of September and ends at the end of June each year although National Championships are often in July. ### **Gymnastics Ontario (GO) Fee:**

Gymnastics Ontario (GO) requires that all participants in the sport of trampoline/gymnastics register to become a GO member. This is insurance coverage and allows athletes to train and participate in competitions. This mandatory fee is annual and needs to be renewed on July 1<sup>st</sup> every year.

To read more about this, please go to [www.gymnasticsontario.ca](http://www.gymnasticsontario.ca)

Interclub: \$150 Tax Incl.

Provincial: \$275 Tax Incl.

National: \$375 Tax Incl.

### **Training Attire:**

Girls must wear a bodysuit with bike shorts or leggings, or other non-baggy athletic attire such as, form fitting t-shirts and/or tank tops. Boys must wear shorts or track pants that are not too baggy as well as a t-shirt or tank top that is not too baggy. **Baggy clothing prevents the coaches from seeing the body positions of the athlete and will be a danger if the coach is spotting the athlete for a flip.**

“Dry-Fit” material is the best for training as the athletes tend to get hot.

Everyone must wear socks or trampoline shoes while jumping on the trampolines.

No jewelry, bracelets, watches, chains, or hats while training. (Studs are okay.)

Please bring a water bottle and write your name on it.

Athletes with long hair must tie it back, and boys with longer hair must keep it out of their eyes.

**Cell phones on the deck will be confiscated until the end of class.**

### **Competition Attire:**

Everyone must buy a team jacket and wear it proudly to all competitions and events.

They must be kept clean at all times and in good repair. Please write your names on the tags as they all look the same. Provincial and National girls **must** wear the team leotard. Black gymnastics shorts or leggings can be worn at all competitions.

Provincial and National boys must wear the team singlet (tank top) and gymnastics pants/shorts.

If athletic supports are required during a competition, they must be **white** or **skin** colour, or else the athletes will lose marks at the competition. **Black** braces are now permitted in Ontario but not at the National level. Skin coloured tape can be used to cover a black athletic support.

All athletes must wear clean white socks with no markings on them (cotton socks are the most grippy).

Trampoline shoes are optional at all levels but are highly recommended for all Provincial and National levels. You can buy them directly from the following website: *(white only)*

<http://gymslippers.ca/>

I will be making a team shoe order in September.

Interclub Girls; there is a team leotard that you can choose to wear at competitions, or you can wear one of your own design. Black bike shorts are allowed. The Interclub boys can wear an athletic t-shirt and shorts or get the team singlet and pants (please no bike shorts on the boys). Every athlete gets a free team T-shirt when joining our team, and they look great when you wear them to competitions.

Boys Competition Pants: \$99 *(Red)*

Boys Competition Shorts: \$35 *(Black)*

*\*All items are subject to HST*

**Competitions:**

All competitions are mandatory to attend for all athletes unless there is an injury or extenuating circumstances. All competition fees will be withdrawn from your account on the registration deadline of each competition (1<sup>st</sup> of the month) and refunds (in the form of a credit with Airborne) can only be given with a doctor's note provided before the change deadline TBD prior to each competition. The coaches will not be responsible for taking care of athletes while at a competition unless they are warming up or competing. An extra *Coaches Expense/Admin Fee* will be added to the competition registration fee per athlete. If your payment can't process due to insufficient funds, a \$10 NSF fee will apply. Competition information (Call to Meet) usually comes out about a month before each competition date, and the final schedule usually comes out about a week before.

**Role of the Parents:**

Parents are not coaches and therefore not allowed to coach from the sidelines.

It is the coaches job to teach and push the athletes to achieve the best that they can do. What your child needs from you is support and encouragement (i.e. positive reinforcement) and also to provide motivation for them to follow through with their commitment to training. My door is always open to parents and athletes.

Teaching a child to have the proper attitude is important. A "Parent Code of Conduct" must be signed before the commencement of the season.
